Site	Yellowmead Tor Close	
1	Planning History - Does it meet LGS criteria?	Y
	Does the sites have an extant planning permission, which can still be implemented and would conflict with a Local Green Space designation? <i>(If yes, the site is considered not suitable for Local Green Space Designation)</i>	N
	Has the site been allocated for an incompatible Local Green Space use? <i>If yes, the site is considered not suitable for Local Green Space Designation</i>	N
	Any further points to raise from the Strategic Land Availability Assessment?	
2	Other Designations - Does it meet LGS criteria?	Y
	Is the site covered by any of the following designations? Special Areas of Conservation; Special Protection Areas; Sites of Special Scientific Interest; Registered Parks and Gardens; Local Nature Reserves; Registered village greens; Common land; Strategic Green Space; Minerals Safeguarding Area <i>If yes, the site is considered not suitable for Local Green Space Designation</i>	N
3	Proximity to Community - Does it meet LGS criteria?	Y
	Is the site within 240m radius of 10 dwellings or more? <i>If yes, the site is considered suitable for Local Green Space Designation due to its proximity to the community it serves</i>	Y
4	Local Character and Not Extensive Tract of Land - Does it meet LGS criteria?	Y
	Is the site, or adjacent green spaces appropriate for Local Green Space taken together, larger than 10ha? <i>If yes, the site is considered not suitable for Local Green Space Designation</i>	N

	<p>How does the site relate to the local area? Does the site feel part of the local area? Does the site connect physically, visually and/or socially to the area? Is the site distinct from its context by virtue of its size, land type or landscape features, e.g. what are its boundary conditions?</p> <p>The site is an open, unfenced area of grass/lawn framed as a central area within Yellowmead Tor Close. It is a focal point around which all the houses on the close overlook.</p>	
	<p>The site should not be an extensive tract of land. How large is the site in comparison to the community it serves and areas of land in the vicinity?</p> <p>The area is 0.07 Ha within the first phase of 'The Tors' housing development. Phase 1 of this development covers an area of about 5.5 Ha.</p>	
	<p>Is the extent of the size reasonable for its potential designation as a Local Green Space - How has the size of the site been decided? Does the site follow natural features or existing constraints? Does the whole site justify allocation as Local Green Space or is some of the site unnecessarily included? Is the site unusually large for its use?</p> <p>The green space is defined as being an area of grass/lawn central to Yellowmead Tor Close with its boundaries defined by the road that rings it.</p>	Y
5	Particular Local Significance - Does it meet LGS criteria?	Y
5.1	Beauty - Does it meet LGS criteria?	N
	<p>Is the site discernibly beautiful or more beautiful than the surrounding areas?</p> <p><i>Please provide justification below</i></p>	
	<p>Site visibility - Is the site visible from a public place? Are there views of the site from any key locations?</p> <p><i>Please provide justification below</i></p>	
	<p>Is the site (or type of landscape) specifically mentioned in any relevant landscape character assessments, conservation area appraisals or similar documents?</p> <p><i>Please provide justification below</i></p>	
	Is the site covered by any landscape or similar designations?	

	<i>Please provide justification below</i>	
	Are there any cultural references to the site's scenic quality? <i>Please provide justification below</i>	
	Does the site bring interest from further afield to the local area? <i>Please provide justification below</i>	
	Does the green space help to improve the overall appearance of the area by means of its features? <i>Please provide justification below</i>	
5.2	Historic Significance - Does it meet LGS criteria?	N
	Are there any historic buildings, features or remains on the site? For example, listed buildings, scheduled ancient monuments, and war memorials. <i>Please provide justification below</i>	
	Are there any historic landscape features on the site? For example, old hedgerows, ancient trees, historic ponds, historic garden features, ancient woodlands. <i>Please provide justification below</i>	
	Did the site play an important role in the historic development of the village or town? For example, part of the grounds for the manor house, site of an old railway station, village green. <i>Please provide justification below</i>	
	Did any important historic events take place on the site? Is there a longstanding event which takes place on the site? For example, fete's, well-dressing, maypole dancing, pace egg rolling, plays, market <i>Please provide justification below</i>	
5.3	Recreational Value - Does it meet LGS criteria?	Y

	<p>Is there evidence or is it feasible that the site is used for playing sport or is it included in the playing pitch strategy to deliver sports provisions?</p> <p><i>Please provide justification below</i></p>	N
	Which Sport?	
	Is this sports provision free?	
	Is it good quality?	
	Are there better facilities nearby?	
	<p>Does the Green space incorporate play provision or is it included in the play strategy to deliver new play provision? What is the quality of the play area?</p> <p><i>Please provide justification below</i></p>	N
	<p>Are there any other play provisions within a 240m for local playable space or 600m for strategic play space?</p> <p><i>If yes, please provide details below</i></p>	
	<p>Is there evidence or is it feasible that the site is used for informal recreation? Can the site be accessed easily? Are there desire-lines present on site?</p> <p>This is an open area of grassland. It is the only open area on phase 1 of the development. There is a fenced and equipped play and another more wild and wet green area but this is the only open space. There are saplings planted here which indicate that in the future it will have trees and shade. The context of this green space means that it is likely to be used as a communal play space, particularly by children.</p>	Y

6	Evidence of Local Support and Alternate Green Space Provision - Is there sufficient current evidence of Local Support?	N
	<i>If yes, please provide details below</i>	

7	Could the site help to mitigate against the effects of climate change on the local community? Does the site have sufficient landscape qualities that could help tackle climate change?	Y
	<i>Currently the site is mostly short grass. However, saplings on the site indicate that in the future it will have several mature trees. The site is only small however, any urban trees contribute to local shading/cooling and are therefore to be valued for their localised impacts within housing development contexts. This is a small site and so its value is limited however, small sites, in combination, can be significant.</i>	
8	Does the site include any landscape features that could help build resilience to climate change challenges? Does the site have sufficient landscape features that could build resilience to climate change?	Y
	<i>If yes, please provide details below</i> As above	
9	Conclusion - Should site be considered for allocation?	Y
	This site will be a valued as a green focal point for residents on this development and a communal informal play space.
